

Campbell Monument

Canadian Craftsmanship Since 1909

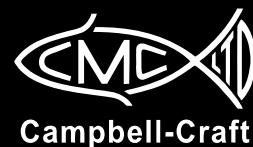

A Campbell Monument Is Built To Higher Standards

Campbell Monument is a leading and award winning manufacturer of custom monuments and memorials in Ontario, operating since 1909. As an employee-owned company we take great pride in the work that we do every day. We offer a wide selection of memorial products including upright monuments, flat markers, columbariums, custom sculpture; all at a range of price points. We also have cemetery services such as cemetery lettering, monument cleaning, and restoration.

Our memorial consultants take a no-pressure approach and work directly with families to help design and personalize their memorial, making it uniquely theirs. We strive to be the best at everything we do; using traditional skills, modern techniques, and the best craftsmanship in the industry. You can feel assured that your monument will not only be made with the highest quality granite but that it will also be made to stand the test of time.

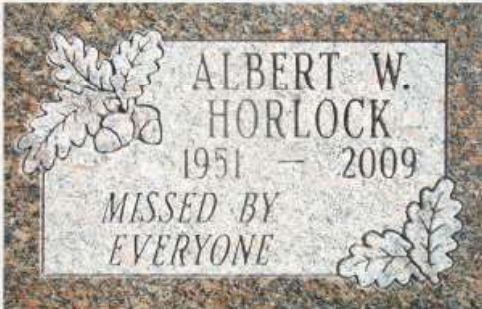

We are proud to offer our Campbell-Craft Guarantee on many of the granites that we offer, please be sure to ask your sales representative for more information.

Campbell Monument: Locally Made & Employee Owned

The highest quality granites may be sourced from all around the world; but it isn't until it passes through the hands of one of our many highly skilled craftsmen that it becomes a Campbell Monument. We take great pride in the work that we do as we know that we are creating a memorial that will be cherished by your family for many generations to come.

Speak with one of our trained monument designers today to learn more about the Campbell difference.
