This form is to be used by either the current living Interment Rights Holder(s) registered at Lakefield Cemetery or after the death of the registered Interment Rights Holder(s) by their legal heir(s) or authorized representative(s). This form allocates permission for interment and memorialization only and does **not** transfer Interment Rights. This form can be completed as a pre-authorization and placed on file with the cemetery indicating who can be interred and or memorialized in a grave or lot in the future, as well as used at the time of need to give permission for an interment and or memorialization to take place forthwith. After the 3 year period all surviving children and or grandchildren, following the *Succession Law Reform Act, 1990*, will be required.

This document once filed with the cemetery will be used to allow those named to be interred and or memorialized. Permissions are not required to be utilized and can be removed by filing written notice with the Cemetery office. The fee to file permission for interment can be found in the Cemetery Price List.
